AVALON TRIPLE-B

This **NEW** model offers 3 selections of whole bean coffee, freshly ground & brewed, just the way you like it, one cup at a time.

Equipped with five (5) different canisters, this model offers an incomparable variety of gourmet beverages:

- 3 Whole Bean Coffees
- Long Espresso
- Hot Chocolate
- French Vanilla
- Café Latte
- Mokaccino
- Hot Water
- **15 Beverage Selections in ALL!**

The TRIPLE-B along with the LA PETITE X is the only brewer in the industry to offer 3 selections of whole bean coffee.

AVALON QUAD

The AVALON QUAD model is equipped with four (4) different canisters which allow multiple choices of beverages:

- Coffee (2 ground coffee selections)
- Hot Chocolate
- Mokaccino
- Cappuccino
- Café Latte
- Hot Water

AVALON

The AVALON is our traditional model. It is the answer to all the major needs of most companies. Beverage selections include:

- Coffee (2 ground coffee selections)
- Hot Chocolate or Cappuccino
- Mokaccino or Café Latte
- Hot Water

AVALON LA PETITE X

Ideal for smaller groups or multiple break areas, this model offers 3 whole bean coffee selections.

It brews everyone's favourites, with a choice of 13 hot beverage selections plus hot water; it offers 3 whole bean coffee selections or Café Americano, as well as specialty drinks like delicious Hot Chocolate, Cappuccino, Mokaccino, and succulent Café Latté whipped to perfection, any time of day.

The LA PETITE X along with the Triple-B are the only brewers in the industry to offer 3 selections of whole bean coffee.

The LA PETITE is also available without the bean grinder option, offering 8 hot beverage selections plus hot water.
